

floor standing speaker SA1750

prepare to be impressed

Just in terms of appearance, the SA1750 is impressive. The tall, slim design and the remarkable finish make it undoubtedly one of the most elegant on the market. The sound is equally stunning.

The SA1750 doesn't resemble an ordinary loudspeaker - and that's the whole idea. This is a genuine high-end loudspeaker made for only one purpose - delivering fantastic sound. The fact that it also looks great is simply an added bonus. And being only 13 cm wide – equal to a CD - the SA1750 is easy to integrate into any home.
