

center channel speaker SA520AV

powerful multi loudspeakers

The SA520AV reflects all of SA's experience and expertise in the construction of compact loudspeakers suitable for both music and film.

The SA520AV is a champion in the most demanding discipline for a loudspeaker: reproducing music so it sounds natural, dynamic and alive. The SA520AV will surprise you with a quality of sound that greatly exceeds its compact size. The magnetic shielding also makes the SA520AV ideal as a powerful center channel speaker for demanding home cinema enthusiasts.

The SA520AV is ideal

- In a sound system for all forms of music
- As a center channel speaker in a home cinema
